

Parent Drop-Off and Parent Pick-Up Duties – Safety is #1

Morning Duty 7:40 – 8:00

Crosswalk – Matt Keating

#1 Spot – Cinnamon Keating

#2 Spot – Cindy Bass

#3 Spot – Shana Whiteside

#4 Spot – Jennifer Ross

If you have duty at number 1 or 2, stand INSIDE the yellow box. If you are at number 3 or 4, stand where your number is located. This puts you close enough to open the doors for ALL students arriving at school. Help the students out of the vehicle safely and welcome them to school. This also helps to speed up the unloading process. If parents get out of their vehicles to unbuckle student, politely tell them that you don't mind doing that for them.

Afternoon Duty 3:40 – 4:00

Library Supervision – Kaleb Gray

Outside Loading:

#1 Spot – Tabby Wade

#2 Spot – Linda Schartz

#3 Spot – Jennifer Burtrum

#4 Spot – Amy Ball

If you have duty at number 1 or 2, stand INSIDE the yellow box. If you are at number 3 or 4, stand where your number is located. Loaders are to open car doors for students and help buckle them in if necessary. Please refrain from visiting with each other. Safety is compromised if you take your attention away from your duty.
